Line-up

Main vocals
Guitar with vocals
Guitar
Bass
Drums with vocals

Possibly, we arrive with 1-5 more people for photos, helping etc.

Stage setting

Please make sure to reserve enough parking spots (1-5) very close to the stage. Normally, we bring our instruments and back line. We do not bring any further sound or light equipment. Regularly, we do not bring a sound or mixing engineer. Please make sure to have appropriately skilled people.

We would like to fix a backdrop 2x3m (horizontal format) with our band logo just behind our back line and would very much appreciate if you can provide us the necessary infrastructure to do so.

Technical stage information

We suggest the following channels required in the stage box. However, you can adjust the assignment as you see fit.

- 1 main vocals
- 2 guitar vocals
- 3 drum vocals

- 4 guitar microphone cabin 1
- 5 guitar microphone cabin 2
- 6 bass amp DI out
